AN APPRECIATION OF ALL ASSISTANCE TO THE HORIZON INTERNATIONAL MEDICAL MISSION.

In my capacity as the Traditional Ruler and spokesman of Ihiagwa Autonomous Community, in Owerri West Local Government Area of Imo State in Nigeria, I use this medium to convey the heartfelt appreciation of our people for the assistance, sponsorship and aids offered to the Horizon International Medical Mission founded by our Son Dr. Kennedy K. Okere of 111 Lions Gate Road, Savannah, Georgia U.S.A.

The free Medical services being offered by Dr. Okere and his team, has filled a terrible vacuum in the lives of our community. Most of the patients who are peasant farmers cannot afford medical treatment and have hitherto resorted to superstition and unscientific remedies which result in high mortality rate. Horizon Mission has therefore become a God sent institution among his poor people of this community.

While conveying our gratitude and prayers for all individuals, corporations and institutions who have made this possible, I appeal for continued assistance to the Mission in its present efforts to establish a clinic in Ihiagwa.

May our good God bless and reward all our benefactors.

NZE, SIR, J. O. Muruako (KSJ) JP
TRADITIONAL RULER OF IHIAGWA
AUTONOMOUS COMMUNITY.
